

## Ballaarat Quilters Inc: 2018 Challenge

# WHAT'S IN YOUR GARDEN?

We all love gardens, whether its our own or another we admire. Our gardens are full of so many beautiful and interesting things: flowers, critters, trees, ornaments, birds, butterflies, weeds, pests, etc.

Your challenge is to create a textile piece that reflects something that features in your garden...or from a garden you admire.

Your textile piece can be in any format but must be no larger than 1.5 meters square.

HAVE FUN AND LET THE CREATIVE IDEAS FLOW!
